About Us

VS Energy Technology Ltd. is a technology driven enterprise spanning the full product cycle from development to manufacturing, sales and after sales service. We are manufacturers of LED lights, also dealing with customized products for our customers.

We are committed to social empowerment through our Gram Light Training Program. By conducting vocational training and establishing dedicated service centers, we facilitate direct employment for women, having generated more than 12,000 jobs across key states, including Uttarakhand, Uttar Pradesh, Bihar, Odisha, Rajasthan, and Delhi NCR.

VS Energy has Setup 12 LED Growth Centres in Uttarakhand and Uttar Pradesh. We have setup LED GROWTH CENTRES in Aligarh Jail and in G.B. Nagar Jail. 140 inmates are working in these Growth centres. During COVID-19 Pandemic provided skill training in GIDA Gorakhpur U.P. and created employment for 2500 people.

INTERACTIONS & MOU's WITH GOVERNMENTS

Building Partnerships. Creating Impact.

At Gramlight, we believe in the power of collaboration and strong partnerships.

Through meaningful interactions and strategic MoU's with various government bodies, we continue to contribute towards sustainable development and community empowerment.

Collaborating for Growth

MoU's for Progress

Stronger Together

Impacting Communities

U.P. CM Yogi Adityanath having a glimpse of our products

Former CM of Uttarakhand Trivendra Singh Rawat inaugurating our Gram Light Project

MoU between Gramlight & Kano State of Nigeria

Jail Superintendent of Gautam Buddha Nagar having a glimpse of our products

MoU Signed With NRLM Uttarakhand

MoU signed with NRLM Dewaria

Strengthening Public-Private Partnerships

Empowering Communities Together

Commitment to Sustainable Development
